Ms. Robin Kelly  
Campaign Finance Analyst  
Reports Analysis Division  
Federal Election Commission  
999 E Street NW  
Washington, DC 20463

Dear Ms. Kelly:

I am writing in reference to the \$77,286.40 of debt previously reported as owed by Committee to Re-Elect Trent Franks to Congress to the companies of Base Connect Inc., Century Data Systems Corp., Consolidated Data Systems Corp. and Legacy Lists Inc.

The campaign disputes the above amount as a legitimate debt. We believe that all valid invoices from these entities for the services they provided have been paid and reported, and that nothing further is owed to any of these companies.

Further, it has been 3 years since we last had any communication from the companies listed above.

Therefore, we have removed the debt from our third quarter FEC report for the period ending.

We look forward to working with the FEC moving forward to bring finality and proper closure to this matter.

Respectfully,

Lisa Teschler  
Treasurer  
Committee To Re-Elect Trent Franks To Congress
